

SUPER DUTY MOD1 5.56X45 NATO SEMI-AUTO RIFLE - SUPER DUTY MOD1 5.56X45 NATO 16" GEISSELE BBL NO MAG DDC

Super Duty MOD1 Rifle 5.56MM Semi-Auto Rifle The Super Duty Mod1 Rifle improves upon the renowned Geissele Super Duty with the addition of a HUXWRX Flash Hider-QD 556 suppressor-ready muzzle device, an updated MK16 Super Modular Rail with press-fit stainless steel Quick Disconnect (QD) inserts, an A17 Grip that presents a more ergonomic grip angle, and a QD Sling Mount Endplate. The SD Mod1 updates several key components that ensure this high-end rifle will continue to offer the user unmatched accuracy, comfort, and performance. Geissele provides the latest in weapon technology available. This rifle chambered in 5.56mm features a nanoweapon-coated HUXWRX Flash Hider-QD muzzle device pinned and welded to an in-house Manganese Phosphate coated, Cold Hammer Forged, Chrome Lined, 1-7 twist barrel. Geissele barrels are High-Pressure Tested (HPT) and Magnetic Particle Inspected (MPI). The Geissele length gas system and Geissele Super Compact Gas Block (with bomb-proof installation) ensure reliability and optimal performance in extreme conditions and heavy use. At your fingertip and purpose-built for precision is the SSA-E X with Lightning Bow® trigger. The Nanocoated, two-stage trigger features a wide-body and bow shape that finds the perfect balance between a classic M4 trigger and a flat-body trigger. At the heart of this rifle is the Geissele Reliability Enhanced Bolt Carrier Group (BCG). Their Nanoweapon-coated carrier features a properly torqued and staked, Chrome Lined, Nanocoated gas key. The Cam Pin is machined from advanced, tool steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The Reliability Enhanced Bolt Carrier Group features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The Reliability Enhanced Bolt Carrier Group comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has fewer impurities. This makes our Stressproof bolt stronger and more fatigue-resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high-pressure tested, mag particle inspected and Nanoweapon coated. The Super Duty lower is precision machined from 7075-T6 aluminum and features Geissele's Ultra Duty Lower Parts Kit featuring our Ambidextrous Super Configurable safety and Ultra Precision trigger guard. A high-quality mil-spec Geissele Buffer Tube with a Super-42 in H2 buffer ensures this rifle is properly tuned out of the box. Rounding up the package is a MK16 Super Modular Rail, that mates to the Super Duty Upper Receiver via a center aligning tab that removes any chance of rail rotation. The MK16 family of rails is renowned by operators for their performance and comfort. An Airborne Charging Handle ensures smooth and reliable operation. A Geissele Quick Disconnect (QD) Sling Mount Endplate allows for fast interfacing of slings quipped with QD pushbutton mounts to the lower receiver. This rugged and reliable attachment point is machined from Stainless Steel that is finished in Black Nitride and staked per MIL STD. The B5 Systems Enhanced Sopmod Stock completes the package and an Airborne Charging Handle ensures smooth and reliable operation. Sicherheitshinweise für das SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE

Einleitung

Herzlichen Glückwunsch zum Kauf Ihres SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE von Geissele Automatics. Dieses hochwertige Gewehr wurde entwickelt, um Ihnen unvergleichliche Genauigkeit, Komfort und Leistung zu bieten. Um die Sicherheit bei der Verwendung dieses Produkts zu gewährleisten, bitten wir Sie, die folgenden Sicherheitsrichtlinien und Anweisungen sorgfältig zu lesen und zu befolgen.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass Sie die Bedienungsanleitung vollständig gelesen und verstanden haben, bevor Sie das Gewehr verwenden.
- Bewahren Sie das Gewehr außerhalb der Reichweite von Kindern und unbefugten Personen auf.
- Verwenden Sie das Gewehr nur für den vorgesehenen Zweck und in Übereinstimmung mit den geltenden Gesetzen und Vorschriften.
- Überprüfen Sie regelmäßig den Zustand des Gewehrs und seiner Teile, um sicherzustellen, dass es in einwandfreiem Zustand ist.
- Tragen Sie immer geeignete Schutzausrüstung, einschließlich Gehörschutz und Schutzbrille, während der Verwendung des Gewehrs.
- Achten Sie beim Umgang mit Munition auf Sicherheitsvorkehrungen, um Unfälle zu vermeiden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwenden Sie nur die vom Hersteller empfohlenen Munitionstypen.
- Halten Sie den Abzug nicht gedrückt, während Sie das Gewehr laden oder entladen.
- Richten Sie das Gewehr niemals auf etwas, das Sie nicht treffen möchten.
- Überprüfen Sie vor dem Schießen, ob sich im Lauf keine Fremdkörper oder Hindernisse befinden.
- Entladen Sie das Gewehr, bevor Sie es reinigen, transportieren oder lagern.
- Bei Fehlzündungen oder anderen Problemen warten Sie mindestens 30 Sekunden, bevor Sie das Gewehr erneut überprüfen.

Anweisungen für Installation und Nutzung

• Installation:

- Stellen Sie sicher, dass das Gewehr entladen ist, bevor Sie mit der Installation beginnen.
- Befestigen Sie den HUXWRX Flash HiderQD gemäß den Anweisungen des Herstellers.
- Montieren Sie das MK16 Super Modular Rail sicher auf dem Oberbau.

• Nutzung:

- Stellen Sie sicher, dass Sie eine geeignete Schussposition einnehmen, bevor Sie das Gewehr abfeuern.
- Überprüfen Sie vor jedem Schuss, ob sich die Sicherung in der "Sicher"-Position befindet, bis Sie bereit sind zu schießen.
- Nach dem Schießen entladen Sie das Gewehr sofort und reinigen Sie es gemäß den Anweisungen in der Bedienungsanleitung.

Entsorgungsanweisungen

- Entsorgen Sie leere oder beschädigte Munition gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Lagern Sie das Gewehr in einem sicheren, trockenen Bereich, wenn es nicht verwendet wird.
- Bei der Entsorgung von Gewehrteilen oder Zubehör beachten Sie bitte die örtlichen Gesetze zur Entsorgung von Waffen und Waffenteilen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich Sicherheitshinweisen, Produkten oder Dienstleistungen wenden Sie sich bitte an den Hersteller oder einen autorisierten Händler.

Bitte beachten Sie, dass diese Sicherheitsrichtlinien als allgemeine Richtlinien dienen. Es liegt in Ihrer Verantwortung, sicherzustellen, dass Sie die geltenden Gesetze und Vorschriften einhalten und die Sicherheit bei der Verwendung dieses Produkts stets an erste Stelle setzen.

Safety Instruction Guide for SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE

Introduction

Thank you for choosing the SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE. This guide provides essential safety information to ensure safe and effective use of your firearm. Please read and understand all instructions before using the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children.
- Always use appropriate ear and eye protection when shooting.
- Do not consume alcohol or drugs before or during the use of the firearm.
- Be aware of your target and what lies beyond it.
- Ensure the firearm is clean and wellmaintained.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Handling:**
 - Always keep your finger off the trigger until you are ready to fire.
 - Avoid pointing the firearm at anything you do not intend to shoot.
- **Shooting Environment:**
 - Use the firearm only in designated shooting ranges or safe outdoor areas.
 - Ensure the area is clear of people and obstacles before firing.
- **Maintenance:**
 - Regularly inspect the firearm for any signs of wear or damage.
 - Use only manufacturerapproved parts and accessories.
- **Ammunition:**
 - Use only the specified caliber (5.56mm) ammunition.
 - Store ammunition in a cool, dry place and away from children.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the firearm is unloaded before any assembly or disassembly.
 - Follow the manufacturer's instructions for attaching accessories, such as the HUXWRX Flash HiderQD and the MK16 Super Modular Rail.
- **Usage:**
 - Load the firearm only when you are ready to shoot.
 - Follow the steps below for safe operation:
 1. Check that the firearm is on "safe" before loading.
 2. Insert a magazine into the magazine well.
 3. Pull the charging handle to chamber a round.
 4. Switch the safety to "fire" when ready to shoot.
 5. Aim at the target and squeeze the trigger gently.
 6. After firing, keep the muzzle pointed downrange and assess the situation.
 7. If necessary, reload or unload the firearm safely.
- **Cleaning and Maintenance:**
 - Clean the firearm after each use to ensure optimal performance.

- Use appropriate cleaning supplies and follow the manufacturer's guidelines.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- Do not discard firearms in regular waste. Contact local authorities for safe disposal options.
- Ensure that all parts of the firearm are disposed of in a manner that prevents unauthorized access.

Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or maintenance of the SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE, please refer to the manufacturer's website or contact their customer service for assistance.

By adhering to these guidelines, you can help ensure a safe and enjoyable experience with your SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE. Always prioritize safety and responsibility when handling firearms.

Guida alle Istruzioni di Sicurezza per il Fucile SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per il Fucile SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO di Geissele Automatics. Questa guida fornisce informazioni importanti per garantire un uso sicuro e responsabile del prodotto. Si prega di leggere attentamente e seguire tutte le istruzioni e le raccomandazioni.

Linee Guida Generali di Sicurezza

- Assicurarsi di utilizzare il fucile solo in aree designate e legali per la pratica di tiro.
- Indossare sempre occhiali di protezione e protezioni per le orecchie durante l'uso.
- Mantenere il fucile scarico fino a quando non si è pronti per utilizzarlo.
- Non puntare mai il fucile verso persone o animali.
- Tenere il fucile lontano dalla portata dei bambini e di persone non autorizzate.
- Controllare sempre che il fucile sia in buone condizioni prima dell'uso.
- Seguire tutte le leggi locali e nazionali riguardanti la detenzione e l'uso di armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo delle munizioni:** Utilizzare solo munizioni 5.56x45 NATO appropriate per il fucile.
- **Verifica del caricatore:** Assicurarsi che il caricatore non sia inserito durante la pulizia o la manutenzione.
- **Pulizia:** Mantenere il fucile pulito e ben lubrificato. Seguire le istruzioni del produttore per la pulizia.
- **Manutenzione:** Effettuare controlli regolari su tutti i componenti del fucile, inclusi il BCG e il grilletto.
- **Uso del dispositivo di bocca:** Utilizzare il HUXWRX Flash HiderQD solo come indicato nelle istruzioni del produttore.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Caricatore:

- Assicurarsi che il fucile sia scarico.
- Inserire il caricatore nel ricevitore inferiore fino a quando non scatta in posizione.

2. Caricamento delle Munizioni:

- Estrarre il caricatore dal fucile.
- Caricare le munizioni nel caricatore secondo le istruzioni del produttore.
- Reinserire il caricatore nel ricevitore.

3. Accensione:

- Verificare che il selettore di fuoco sia impostato su "Sicuro" prima di accendere.
- Tirare indietro il caricatore e rilasciarlo per preparare il fucile al tiro.

4. Sparare:

- Impostare il selettore di fuoco su "Fuoco".
- Puntare il fucile in modo sicuro e premere il grilletto con cautela.

5. PostUso:

- Dopo l'uso, impostare il selettore di fuoco su "Sicuro".
- Estrarre il caricatore e controllare che non ci siano munizioni nel fucile.
- Pulire e mantenere il fucile secondo le istruzioni del produttore.

Istruzioni per lo Smaltimento

- Smaltire le munizioni e i materiali di scarto secondo le normative locali.
- Non gettare mai munizioni usate o componenti del fucile nei rifiuti domestici.
- Contattare un centro di smaltimento autorizzato per il corretto smaltimento delle armi e delle munizioni.

Informazioni di Contatto per Ulteriore Supporto

Per domande o chiarimenti sulla sicurezza e l'uso del Fucile SUPER DUTY MOD1, contattare il produttore o il rivenditore autorizzato. È consigliabile mantenere una copia di questa guida per riferimento futuro.

Si prega di notare che questa guida è destinata a fornire informazioni di sicurezza generali e non sostituisce la formazione adeguata o le istruzioni specifiche del produttore. Utilizzare sempre il buon senso e seguire le leggi locali durante l'uso di armi da fuoco.
