

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - TOP PLATE/BOLT FOR LYMAN BRASS SMITH AMERICAN 8 TURRET PRES

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses and tools. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all equipment is used according to the manufacturer's instructions.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the product on a stable and level surface to prevent tipping or falling.
- Do not overload the mount beyond its specified weight limit.
- Ensure that all bolts and fixtures are securely tightened before use.
- Avoid using the product in wet or humid conditions to prevent corrosion.
- When swapping out presses or tools, ensure that the area is clear of obstructions and that you have a firm grip on the equipment.

Instructions for Installation and Usage

1. Installation of the Quick Change Top Plate

- Gather all necessary mounting hardware included in the kit.
- Position the Quick Change Top Plate onto the Quick Change Ultramount.
- Align the holes of the Top Plate with the corresponding holes on the Ultramount.
- Insert the provided bolts into the aligned holes and tighten them securely using the appropriate tool.

2. Mounting Your Press

- Choose the reloading press you wish to mount.
- Position the press onto the mounted Top Plate, ensuring that it is properly aligned.
- Secure the press using the locking mechanism provided on the Top Plate.

3. Swapping Presses or Tools

- To remove the press, disengage the locking mechanism and lift the press off the Top Plate.
- Store the press in a safe location to avoid damage.
- Repeat the mounting process for any additional presses or tools you wish to use.

4. Storage of Equipment

- When not in use, consider utilizing Inline's QC storage docks for efficient storage of additional presses and tools.

- Ensure that all equipment is stored in a dry place to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components whenever possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety!
