

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRMT TOP PLAT/BOLT FOR LYMAN TMAG II & CRUSHER II PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.
NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits designed for Lyman TMag II & Crusher II Presses. This product is engineered to enhance your reloading experience by providing a flexible and efficient mounting solution. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions outlined in this guide.
- Always inspect the product for any visible damage or wear before use.
- Keep this product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the product manual.
- Be aware of any potential hazards associated with reloading equipment and take necessary precautions.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Ensure that your work area is clean and free from clutter to avoid accidents.
- Do not exceed the recommended weight limit for the Quick Change Ultramount.
- Always secure your press properly to prevent it from tipping over or becoming dislodged during use.
- Avoid using the product in wet or damp conditions to prevent electrical hazards if applicable.
- If you experience any issues with the product during use, stop immediately and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and level work surface for installation.
- Ensure that the Quick Change Ultramount is securely attached to the workbench using the provided mounting hardware.
- Follow the specific instructions for attaching the Quick Change Top Plate to your press.
- Verify that all connections are tight and secure before use.

2. Usage:

- To use the Quick Change system, simply remove the press from the Ultramount by following the removal instructions provided.
- Store the removed press safely to prevent damage.
- To swap out the press, repeat the installation steps for the new press.
- Always check that the press is securely mounted before beginning any reloading tasks.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, follow your local guidelines for the disposal of electronic or mechanical

products.
