

## QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT FOR RCBS SUMMIT & REBEL PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.  
NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

# QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

## Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When mounting the Quick Change Ultra Mount, ensure that the surface is stable and secure.
- Do not exceed the weight limit specified by the manufacturer for the mounted equipment.
- Always ensure that the press is securely fastened to the mount before use.
- Avoid using the product in wet or damp conditions to prevent slipping or damage.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating reloading equipment.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Work Area:** Ensure that your workbench is clean and free of clutter.
2. **Gather Tools:** You will need the appropriate tools for installation, including a wrench and screwdriver.
3. **Mount the Quick Change Ultra Mount:**
  - Position the mount on the workbench where it will be used.
  - Use the provided bolts to secure the mount to the work surface.
  - Ensure that the mount is level and secure.
4. **Attach the Top Plate:**
  - Align the top plate with the mount.
  - Use the provided hardware to secure the top plate to the mount.
  - Doublecheck that all screws and bolts are tightened properly.

### Usage

1. **Mounting the Press:**
  - Place your reloading press onto the top plate.
  - Secure the press using the appropriate mounting hardware.
2. **Changing Equipment:**
  - To change the mounted equipment, follow these steps:
    - Loosen the mounting hardware.
    - Carefully lift the press off the top plate.
    - Store the press in a safe location.
    - Mount a different press or tool by repeating the mounting steps.

### 3. **Storing Equipment:**

- When not in use, store the press and other tools in a safe and dry environment.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use or damaged beyond repair, dispose of it responsibly.
- Check with local waste management authorities for proper disposal methods for any metal or plastic components.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please reach out to the manufacturer or check the EU's Safety Gate platform for the latest updates and information regarding product safety.

By following these guidelines, you can ensure a safe and efficient reloading experience with the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety.
