Safety Instruction Guide for the 680D Tactical Rifle Case

Introduction

Thank you for choosing the 680D Tactical Rifle Case by Evolution Outdoor, LLC. This guide provides essential safety instructions and guidelines to ensure the safe use of your rifle case. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the rifle case is used only for its intended purpose, which is to transport and protect firearms.
- Always check for any signs of damage or wear before use. Do not use if the case is damaged.
- Keep the rifle case out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the case, always secure your firearm with the hook and loop tie down straps to prevent movement during transport.
- Ensure that the zippers are fully closed before moving to avoid accidental opening.
- Do not exceed the weight limit of the case; check the specifications for maximum capacity.
- Avoid exposing the case to extreme temperatures or harsh environmental conditions to maintain its integrity.
- Use the padded foam material to protect your firearm; do not place heavy or sharp objects inside the case that could damage it.

Instructions for Installation and Usage

1. Preparation:

- Open the rifle case by unzipping the main compartment.
- Lay the case flat on a stable surface.

2. Loading the Firearm:

- Place your firearm inside the case, ensuring it is oriented correctly and securely positioned.
- Use the heavy gauge foam padding to cushion your firearm.
- Secure the firearm using the hook and loop tie down straps provided in the case.

3. Closing the Case:

- Ensure all items are properly stowed and secured.
- Zip the main compartment closed, ensuring that the zipper is fully engaged.
- Check that the paracord zipper pulls are accessible for easy opening.

4. Transporting the Case:

- Use the adjustable, removable shoulder strap for comfortable carrying.
- If using MOLLE webbing, attach additional gear securely to prevent shifting during transport.

5. Storage:

- Store the rifle case in a cool, dry place when not in use.
- Avoid placing heavy objects on top of the case to prevent deformation.

Disposal Instructions

- Dispose of the rifle case responsibly in accordance with local regulations.
- If the case is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the case in regular household waste if it contains hazardous materials.
