# Safety Instruction Guide for the .410 Bore Breech Bolt Assembly

## Introduction

Thank you for choosing the .410 Bore Breech Bolt Assembly with Steel Ejector for your Remington 870. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure safe use of the Breech Bolt Assembly by following all instructions.
- Be aware of potential hazards associated with firearm components.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any updates or recalls related to this product.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure the firearm is unloaded before attempting to install or replace any parts.
- Wear appropriate safety gear, including eye protection, when handling or working with firearms.
- Do not modify the Breech Bolt Assembly or any other firearm components.
- Regularly inspect the Breech Bolt Assembly for wear or damage. If any issues are found, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a screwdriver and any other required equipment.

### 2. Installation:

- Remove the existing Breech Bolt Assembly from the Remington 870 by following the manufacturer's instructions.
- Carefully insert the new .410 Bore Breech Bolt Assembly into the designated slot.
- Ensure that the assembly is securely in place and properly aligned with the firearm's mechanisms.

### 3. Usage:

- After installation, perform a function check to ensure proper operation.
- Load the firearm only when ready to shoot and in a safe environment.
- Follow all standard firearm safety practices during use.

## Disposal Instructions

- Dispose of any old or damaged Breech Bolt Assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the .410 Bore Breech Bolt Assembly, please refer to the manufacturer's official contact points or website.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
